\$120 per month

Our dedication to quality:

Montgomery Street Preschool is a ministry of the First United Methodist Church. We have been Knoxville's choice for faith based early learning for over 40 years. We are dedicated to providing high quality early childhood education to Knoxville and the surrounding area.

Montgomery Street Preschool is unique in that we offer a two-year old preschool class and we also accept registrations for 5 year olds that may not be ready for Kindergarten.

Montgomery Street Preschool is proud to be a part of the Knoxville community. We are an agency of the Marion County United Way. Donations to the United Way help us to update classrooms, curriculum, and learning centers.

Enrollment Forms:

To enroll in preschool, the enclosed enrollment form needs to be filled out for each child. The form along with the registration fee may be mailed or dropped off at the preschool or First United Methodist Church office.

Financial assistance is available. Please ask the director for more information or for the scholarship form.

Our Philosophy:

Your child is a unique child of God. At Montgomery Street Preschool, children are encouraged to have a healthy self-image and appreciation of themselves and the community. Through opportunities for individual affirmation and group sharing, the children learn positive feelings of self-worth, confidence, and trust.

Your child learns by doing. Children learn best when they have "hands-on" experiences. Through learning centers, children grow in basic skills needed for further growth in language arts, mathematical thinking, science, and creative arts. Our learning environment provides activities which develop large and small motor skills, listening skills, and school readiness skills.

Our setting:

- Spacious, bright, colorful rooms with a variety of equipment for developing large and small motor skills
- Fenced in outdoor play area with climbing structure. Indoor climber for cold or rainy days.

Our Teaching Staff:

- Director and teachers are highly qualified through continuing education classes, training events, and teaching experiences.
- Classes have no more than 12 children with a teacher and an assistant.
